

Bob Eubank President Of The Golf Club

At the reorganization meeting of the Didsbury Golf Club, held in the Town office on Tuesday evening, April 22nd, Bob Eubank was again elected president, with Sam Krueger as 1st vice-president, Dr. J.W. Summers 2nd vice-president and Geo. Law secretary-treasurer.

Committees elected were—Membership committee: Dave Jenkins and Howard Halliday; Grounds committee: Bob Eubank, Sam Krueger, Len Berscht and Will Skerry; Handicap and Competition committee: Bert Prevost and Art Reiber; Sand committee: Bob Eubank and Sam Krueger; Brush committee: Fred Evans and J.W. Wordie.

Club house improvements are under the supervision of J. Glaum and Frank Kaufman and a sum of money for this purpose will be allotted at a later date.

The estimated membership for the season is expected to tax the course to its limit and because of this the golf links will be considered private and only members will be allowed to play. For this purpose a "For Members Only" sign will be erected at the club house.

A motion was made and carried that No. 1 and No. 9 fairways be sprayed to kill the dandelions and the Herman Dageforde spraying outfit will be hired for the job.

Fees for the coming season were set at \$10 for men, \$5 for women, \$12.50 for man and wife, and \$2.50 school children.

A. F. U. NOTES

Due to the advent of spring work it was decided at the April meeting of the Rugby A.F.U. to cancel the May meeting and have the next one early in June at the Percy Hosegood home.

A delegation from the A.F.U. along with a delegation from the U.F.C., is now in Ottawa to present a brief on income tax, and to take up matters pertaining to freight rates, releasing of price controls, increased prices of machinery and binder twine, the wheat policy, and other matters affecting western farmers. A full report is forthcoming. In the meantime, you are urged to renew your membership if you have not already done so, as the more members the Union has the stronger it becomes.

FORTY YEARS AGO

The taxpayers voted to borrow another \$10,000 and proceed immediately with the building of a new \$28,000 school in Didsbury.

The town assessment has been completed and amounts to \$200,000. This is an increase of \$200,000 over last year and reflects the large amount of building that took place in 1906.

P. Liesemer has purchased a gasoline engine to be used to pump water, and for other purposes.

A town By-law has been drawn up providing for a payment of a 25c bonus for every evergreen planted in front of local residences.

A set of weigh scales is being put in at the stock yards and local ranchers can get exact weight of animals shipped, without waiting for returns from Calgary.

Miscellaneous Shower For Miss Louise Kohut

Mrs. J.W. Gibson of Calgary entertained on Wednesday, April 16 at a miscellaneous shower for Miss Louise Kohut whose marriage takes place in Calgary on May 7th.

Twenty-five guests were present and the evening was spent in playing games and other amusements, after which a dainty and tasty lunch was served. Those assisting with the serving were Miss Marie Dahm, Mrs. Rose Swenson and Mrs. Geo. Mueller, all of Calgary. A lovely bouquet of white daffodils centered the table.

The gifts were presented in a large white box, in the shape of a wedding cake, and were presented by Mrs. Frank Bond of Calgary. The bride then opened the parcels and thanked the guests for the lovely gifts.

Out-of-town guests were Mrs. Ralph Stone, Mrs. Frank Ewing, Mrs. R. Heintz, Mrs. J. Tonte and Mrs. J. Dummbecker, all of Rockyford.

Quarterly Report Of The Rosebud Health Unit Presented By M. Robinson

Miss J. McNis resigned February 1 as Junior Nurse.

Health Education has been carried on in the usual manner. A short talk was given at the Olds Home and School Association. Two hundred and seventy copies of the School Health Booster were mailed.

A Valentine and Easter number. The number of Well Baby and Immunization clinics totalled 37, despite poor weather and road conditions. Thirty four infant home visits were made to new babies of the district.

Forty one visits to schools were tallied during this quarter, but these were largely in town schools. We hope to have our Spring Rural program established shortly.

Immunizations were carried out at the regular clinic centres, and also in the schools of Olds, Crossfield, Carstairs and Sundre. These were as follows:

Tuberculin Tests	45
Scarlet Fever Toxin	1212
Diphtheria	840
Smallpox Vaccinations	219
Typhoid Injections	3
Measle Serum	12
Communicable diseases were still very numerous with 179 reported cases quarantined or isolated. The more important of the diseases reported were:	
Red Measles	145
Chicken Pox	12
Scarlet Fever	6
Mumps	19

Marion Robinson, P.H.N., Senior Health Nurse.

DISTRICT BOARD OF HEALTH MEETING HELD APRIL 24

The District Board of Health of the Rosebud Health Unit met in Didsbury on Thursday, April 24. Five new members were present. Mrs. Jean Stevens, representative for the Village of Crossfield, Mr. W.H. Metz, Mr. H.J. Goetjen and Mr. F.J. Niddrie, new representatives for the Municipal District of Mountain View, and Mr. M. Geiger, from the Municipal District of Waterloo.

Results of the election of the Executive Board were as follows: Chairman, Mr. A.A. Dunkley, Olds; vice-chairman, Mr. C.E. Reiber, Didsbury; secretary, Mr. J. Stevens, Crossfield; member, Mr. W.H. Metz, Didsbury.

Peterson-Purvis Nuptials In Calgary On April 22

A wedding was solemnized April 22 by Rev. J.R. Brown at the home of Mr. and Mrs. Orrie Franklin when Miss Margaret Purvis of Glasgow, Scotland, became the bride of Mr. Stanton F. Peterson of Didsbury.

The bride wore a blue gabardine suit with pink accessories, a head bandeau of carnations and a corsage of pink carnations. She was given in marriage by Mr. Franklin.

Miss Florence Peterson of High River and Mr. Thomas Peterson of Calgary, sister and brother of the groom, were attendants.

A reception followed where Rev. Brown proposed a toast to the bride.

After a short honeymoon in Banff the bride and bridegroom will reside in Calgary.

E.G. Ranton Announces 10 Per Cent Reduction

E.G. Ranton, local clothing store proprietor, is one of the first business places in Canada to announce a definite cut in prices to stop inflation, and commencing May 1st Mr. Ranton will cut every price in the store by ten per cent.

This price cutting first started in the United States, and has spread to Canada, and if manufacturing costs can be kept to a minimum it is expected that many other business establishments will soon follow with general price reductions.

DIDSBURY HOSPITAL BIRTHS

Born to Mr. and Mrs. Leroy Balderson of Carstairs, on Thursday, April 24, a girl.
To Mr. and Mrs. Hugh Denzey of Cremona, on Friday, April 25, a girl.
To Mr. and Mrs. Alex Brander of Didsbury, on Saturday, April 26, a girl.

UNIVERSITY MIXED CHOIR TO BE HERE TUESDAY, MAY 6

The University of Alberta Mixed Chorus will visit Didsbury to give a concert in the Didsbury Opera Theatre on Tuesday, May 6, under the sponsorship of Didsbury Lions Club. The Chorus came to life in the fall of 1944 through the initiative of their present conductor, Gordon Clarke, himself a student. The first two concerts were given in Convocation Hall in the University of Alberta in February 1945. The following winter, with membership increased from 70 to 135 two concerts were given in Edmonton and one in Calgary. They were received with unqualified acclaim. Now in 1947 concerts have been given in Edmonton, Calgary and Banff culminating in the present tour which will take them to Didsbury, Carleton Place, Leithbridge, Raymond, Macleod and Coleman.

Gordon Clarke, the energetic director, was born in Toronto in 1918 but was reared in Calgary where he received his training in the piano and cello under the talented guidance of Mrs. Eibert and Mr. Garbovitsky respectively. He entered the University for Medicine in 1942 and in spite of a notoriously heavy curriculum has devoted his time unstintingly towards the success of his choir.

Westcott W.I. Donates \$10 To Cancer Fund

The April meeting of the Westcott Women's Institute was held at the home of Mrs. Gordon Ford on Thursday, April 24th, with 14 members and six visitors present.

Roll Call was answered by naming a variety of potatoes. It was decided to send a donation of \$10 to the Cancer fund. Plans were then completed for the entertaining of the grandmothers of the district, to be held at the next meeting.

Mrs. B. McFarlane gave a talk on Canadian Industries. She chose as her subject, "Fur Farming," with a brief outline of such subjects as mink, muskrat, chinchilla rabbits, martens and foxes, giving some interesting facts about each. The constituency convener, Mrs. A.L. Hogg, was present and during the afternoon gave a talk.

Due to the lateness of the hour, the educational talk and the bit of fun were held over for another meeting.

The next meeting will be held at the home of Mrs. W. Owens on Tuesday, May 27th, instead of Thursday, May 29th, because of the convention being held in Calgary at that time.

Ladies, please don't forget to bring along a grandmother.

Infested Roads and Fields To Be Sprayed With 2-4-D

The fourth meeting of the Didsbury West Calf Club was held at the home of Mr. Roy McNaughton with two classes of cattle being judged.

Mr. Hogan, Mountain View weed control representative, reported that road sides and badly infested farms would be dusted with 2-4-D. The club members reported that all the calves were doing fine.

Mr. McPhail, district agriculturalist, announced that the calf sale would include approximately 120 calves.

At the close of the meeting a delicious lunch was served by the hostesses. The next meeting will be held at the home of Mr. Ed Klinek on Friday, May 30, at 7 p.m.

SURPRISE PARTY FOR MRS. WEBSTER AT PECK HOME

A very enjoyable afternoon was spent at the home of Mrs. Peck on Saturday when a number of friends surprised Mrs. Webster, the occasion being her birthday. A lovely lunch was served by the ladies and a purse presented to Mrs. Webster with sincere wishes of many more happy birthdays. Mrs. Webster appropriately thanked her friends for their kindness and the gift.

Didsbury Pupils Participate In Music and Dramatic Festival

At the Music and Dramatic Festival held at Olds on Friday, April 23, Didsbury school students put on some exceptional performances, and while no classification was made as to winners, the best numbers during the day were staged in the evening and the program of 38 numbers was made up of 14 from Didsbury, 13 from Olds and 11 from Carstairs, indicating that the Didsbury students topped the day's program.

The festival, sponsored by the Olds Local of the Alberta Teachers' Association, is an annual affair and is usually held in Olds with pupils of the Olds, Didsbury and Carstairs schools participating.

Following are the numbers and names of the local students taking part in the festival:

Elocution, Grades 10, 11, 12—Jean Frey, Melva Anderson, Joan Carleton, Marjorie Chandler and Helen Swain.

Elocution, Grade 5 and 6—Marjorie Dedels, Jacqueline McGaffin, Everley Wiggins, Earl Reimer and Edward Oke.

Elocution, Grades 1 and 2—Donald McLaren, Judy Law and Glen Eby.

Elocution, Grades 3 and 4—Ormond Reiffenstein, Lyle Ford, Patsy Halliday and Viola McNaughton.

Elocution, Grades 7, 8 and 9—Conrad Platz, Jean Krueger, Kenneth Sproule, Emilie Dupont and Winona Rouleau.

Solos, Grades 7, 8 and 9—Laura McCoy, Anita Andrews, Patricia Leavins, Conrad Platz, Donald Burgess and Cameron Wordie.

Solos, Grades 3 and 4—Patsy

PAYNE-FREEMAN CO. TAKE OVER BULK STATION AT OLDS

Payne-Freeman Co. have taken over the wholesale agency for Gas and Oil Products at Olds. The branch will be in charge of Russell Carleton, who has been with Payne-Freeman Co. for the past year and a half. Howard Gibson, who has also been employed by the same company, will operate the delivery truck in the Olds district.

Joyce Morgan Reports On I.O.D.E. Convention

The Mons Chapter of the I.O.D.E. held their monthly meeting in the Lions hall Friday April 25, with Mrs. Ross, Mrs. Epp, Mrs. Berscht and Miss Willison as co-hostesses. After opening the meeting the Regent, Miss Margaret Hanson, called on Mrs. Bowman, who paid a tribute to the memory of Mrs. Ranton. She had been a member for a number of years and her loss is mourned by all.

Miss Joyce Morgan, delegate to the I.O.D.E. provincial convention held in Calgary, gave a very interesting report of the affair.

At the close of the meeting presentations were made to Mrs. Ross and Mrs. Morton, recent brides. Lunch was then served by the hostesses.

Ken Cassidy Sells Garage Business To Bert Prevost

A deal which has been pending for some time between Ken Cassidy and Bert Prevost, whereby the latter takes over the garage business and Mercury-Lincoln dealership, has now been completed and Mr. Prevost is established in the new business, and for the present will leave space from Mr. Cassidy in the lumber yard building.

Mr. Prevost, who has operated the Hiway Service Garage for the past two years, sold this business a couple of weeks ago to W.M. McCulloch, in order to take over the Mercury-Lincoln dealership in town.

Mr. Hudson Kendrick of Finch, Ontario, arrived in Didsbury a week ago and is visiting with Mrs. A.H. Kendrick. He left his home the latter part of March, travelling by car with his cousin, Dr. James Marcellus of Mission City, B.C., to San Francisco and then to Vancouver. From the coast he and Mr. Kendrick travelled to Didsbury via C.P.R.

Halliday, Valeta Watkin, Ormond Reiffenstein, Jimmy Gale, Lyle Ford and Billy Radford.

Solos, Grades 1 and 2—Laura McCoy and Anna Dupont; Anita Andrews and Opal Swain; Conrad Platz and Donald Burgess.

Solos, Grades 3 and 4—Patricia McDonald, Loretta Reiffenstein, Audrey Carleton, Shirley Reider, Donald Kenschuh and Benny Gilie.

Solos, Grades 10, 11 and 12—Norma Parsons, Joyce Buhr, Don LeGrand, Myron Tweed, Robert Erb and Joel Barrett.

Duets, Grades 7, 8, and 9—Laura McCoy and Anna Dupont; Anita Andrews and Opal Swain; Conrad Platz and Donald Burgess.

Duets, Grades 10, 11 and 12—Jean Rennie and Joyce Buhr; Norma Parsons and Joyce Topley; Melva Anderson and Jean Frey; Myron Tweed and Don LeGrand; Robert Erb and Joel Barrett.

The Didsbury high school orchestra was the only one participating in the festival.

Following are the numbers on the program at the evening performance, put on by the Didsbury school students:

Didsbury orchestra; Solo, Donald McLaren; Elocution, Donald McLaren; Action Song, Didsbury Grade 2 pupils; Choral Speech, Didsbury Division I; Solo, Ormond Reiffenstein; Dramatization, Didsbury Division II; Elocution, Kenneth Sproule; Didsbury Intermediate Chorus; Solo, Bennie Gilrie; Didsbury High School Chorus; Duets, Anita Andrews and Opal Swain; Solo, Norma Parsons; Didsbury High School Girls Ensemble.

First Camp at J. Robinson Farm on Friday, April 18

The Westcott Scouts held their first camp at the Jack Robertson home from Friday evening, April 18 to Saturday afternoon, April 19. The camp was furnished by the Scouts with a table, benches, clothes line and saw horse and the boys slept in a bunkhouse beside the creek. All the Scouts thoroughly enjoyed their short outing. Camp will be held each week with each patrol alternating.

WESTCOTT NEWS NOTES

Mr. and Mrs. John Stevenson and family of Sundre spent last Wednesday with the latter's sister, Mrs. Herbert Goetjen.

The Cub pack held another meeting last Friday night in the Westcott school under the supervision of Mr. Bob Hughes.

Miss Deloyce Goetjen and Mr. Delbert Klinek had an extra day at their respective homes over the week end while their classes at school in Didsbury took part in the festival at Olds on Friday.

Mr. and Mrs. Henry Wilschusen and family, who recently moved near Didsbury, spent Sunday last with the latter's father, Mr. Robert Armit.

We are glad to hear that Little Billy Baudistel, son of Mr. and Mrs. Adolph Baudistel, is much improved in health in the Holy Cross hospital in Calgary where he was taken when he became suddenly ill last week.

Two auction sales were held in our neighborhood last week. Mr. Adolph Baudistel's on Monday and Mr. Herman Dageforde's on Friday. Both resulted in brisk buying. Mr. and Mrs. Baudistel have since moved to the Springbank district while the Dageforde family intend to stay in our district for the present at least.

We're wondering if that Chev car which headed east on Sunday last with its load of boys got back safely to the Elkton district—we mean right side up, boys.

PAINT YOUR NAME ON YOUR MAIL BOX

From time to time travellers and townspeople have inquired as to where some farmer lives in the Didsbury district. Frankly, at times we have to tell them we do not know, or can only give indefinite directions in the hopes that the would-be-seeker of friends will eventually locate the place.

There is, however, one solution to the problem, and while it will not be countrywide, it would be a big factor in identifying farms. This is to have all farmers living on our mail routes paint their names clearly on both sides of their mail boxes. In driving through the country one sees numerous mail boxes, some with names on, some without any name at all, and others with the name so lightly visible that it cannot be recognized without stopping and giving it careful scrutiny.

We know our farmers are busy at this time of year, but it would only take a half hour or so to paint a name on the two sides of the mail box, and under ordinary circumstances the job would not have to be done again for a number of years.

With the general use of cars and trucks many strangers travel our country roads, and there could be no better way for them to distinguish one farm from another than by the name clearly painted on the mail box.

PRESERVING MOUNTAIN FORESTS

The exploitive era of the pioneering years has passed, the Canadian people are awakening to the realization of the need of conserving national resources. Evidence of this changed state of mind is the general approval of the arrangement made between the government of Alberta and the Canadian government to set up a board whose duty will be to administer some six million acres of forests on the eastern slope of the Rocky Mountains.

The area which will come under this board includes the sources of the following rivers: North Saskatchewan, Red Deer, Bow and Oldman. These rivers water the prairie provinces for nearly 1,000 miles eastward and are the source not only of irrigation water but of the water supply available for domestic needs on the farms. Unless the forest growth in the area referred to is protected and developed, the waterflow becomes erratic, roaring in floods in the springtime and dwindling in the summer's heat.

Under the joint arrangement a three man board will administer the area. The province will contribute \$125,000 a year to this service, and the over-all cost is likely to approach \$300,000 a year. The province will retain all revenue up to its annual contribution. The dominion will spend \$6,300,000 on capital account during the first six years of the agreement which is to run for 25 years.

A complete protective system will be installed and forest management service maintained. Scientific studies will be carried on to increase the forest growth.

The maintenance of the forests on the eastern slope of the Rockies is of primary importance to all of the prairie provinces, and it is encouraging to know that satisfactory arrangements have been completed with that objective in mind. —Brooks Bulletin

NOTES FROM THE WEST

Mr. and Mrs. A.L. Hogg and Mr. and Mrs. A.A. Hogg visited with Mr. and Mrs. F. Niddrie of Mound on Sunday.

Please note that the Elton Wilking Workers will meet at the home of Mrs. Gordon Befus Thursday, May 8th, and not May 15th, as previously announced.

Mr. and Mrs. E.W. Lowrie and Mrs. J. Bagshaw visited at the Hogg home Monday afternoon.

Mrs. H. Hoesgood was a Calgary visitor last Thursday.

Mr. and Mrs. I. Scott and Mrs. Murphy visited the Roymn's at Sundre on Sunday.

The Rugby W.I. held a whist drive at the home of Mr. and Mrs. Alex Blain on Monday, April 21st. Honors went to Mr. Alex Blain and Mr. D. Hoesgood.

Mrs. A.L. Hogg, accompanied by Mrs. J. Hoesgood, attended the Westcott W.I. meeting at the home of Mrs. Gordon Ford on Thursday last.

Mr. and Mrs. Ernie Fisher visited with Mr. and Mrs. J. Bagshaw on Sunday.

Mr. and Mrs. D. Stewart visited at the R. Sutherland home on Sunday.

Mr. Walter Bellamy of Cremona, who recently returned from a visit to B.C., is a patient in the Didsbury hospital.

Miss Patsy Gibbs of Inverness was admitted to the hospital on Saturday, suffering from the after-effects of mumps.

MELVIN NEWS ITEMS

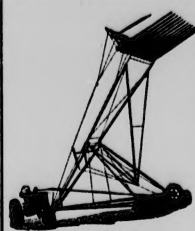

Mr. and Mrs. L. Wollen, accompanied by Mr. and Mrs. Lee Sanderman and Mr. and Mrs. Carl Sanderman, motored to Buford for the week end.

Miss Olga Dupont and Clayton Johnson were week end visitors at the home of Mr. and Mrs. Jack Richardson of Olds.

Clary Youngs, who has been attending the University of Alberta for the past three years, is home for a week before leaving for Medicine Hat where he has a position for the summer months.

Nell Youngs is happy to be back at school again, though his foot is still in a cast.

The Friday night dance at Melvin hall was quite successful but we regret very much that it fell on the same night as the musical festival. As there was no announcement of the festival date we knew nothing of it till last week.

Hugh B. Kendrick Buried In Calgary

The funeral of the late Hugh B. Kendrick, whose death occurred in Calgary on April 7th, was held at Park Memorial Funeral Home on Friday, April 11th, at 3:30 p.m. Rev. C.D. Powell conducted the services and interment followed in Union cemetery, Calgary.

Although the deceased had been in poor health for the past year, his death came as a great shock to his many friends and relatives.

Mr. Kendrick was born near Chesterville, Dundas County, Ontario, on October 15th, 1898, and came to Didsbury in the spring of 1935. For the past nine years he had lived in Calgary and surrounding district where he kept himself employed in several specializing dairies, who will long have memories of his capabilities.

He was always of a cheery disposition and will be greatly missed by his many friends.

Surviving are two sisters, Mrs. Miles Marcellus and Mrs. Luella Colquhoun, both of Chesterville; two brothers, Clifford H., Chesterville, and A. Roy, Didsbury.

BEWARE OF WEEDS IN FLAX

Farmers of Alberta will plant an increased flax acreage in 1947. Those who have previously grown this crop are aware of its growth habits and how it differs from cereals. Flax should be planted on clean land, say officials of the Field Crops Branch. It will not compete with weeds. Farmers should either purchase clean seed or be prepared to clean the flax if they obtain commercial seed.

Because of the small size of the seed, difficulties may be experienced in removing weed seeds without considerable loss of the flax. It is preferable, however, to take a rather heavy loss in cleaning and be sure of planting only clean seed, than plant weed seeds and spend several seasons eradicating weeds from the farm.

A report from Minnedosa, Manitoba, states that a dog was badly bitten along the back in a fight. The wounds were so placed that the injured animal could not lick them so twice a day a neighbouring dog called round and administered treatment until the wounds healed.

NEW \$800,000 HOSPITAL TO BE BUILT IN BANFF

According to a recent newspaper report a 200-bed Roman Catholic hospital for arthritides at a cost of \$800,000 will be built in Banff starting sometime next fall.

The hospital, which will be situated on Spruce Ave. south of the Administration buildings, will replace the present Mineral Springs hospital now being operated by Sisters of the Order of St. Martha.

Six acres have been purchased for the new hospital and it was expected building would get under way this spring. Shortage of materials and labour have made it impossible to start the building until fall.

One hundred and fifty beds in the new hospital will be used for the care of arthritides and 50 beds will be devoted to general patients.

The present Mineral Springs hospital will be used as staff quarters and the new hospital will carry the name of the present one. It is expected a number of new staff will be taken on.

The hospital will be financed and operated by the Order of the Sisters of St. Martha.

RATES OR SEEDING

(H.G.L. Strange)
The Dominion Experimental Farms, particularly the Experimental Station at Scott, Saskatchewan, has for sixteen years conducted a most important experiment on the rates of seeding of wheat, oats and barley, on both summerfallow and stubble.

Scott recommends sowing for wheat on summerfallow 1½ bushels per acre if fertilizer is used, and 1½ if no fertilizer is used. On stubble not more than one bushel per acre. For oats, on summerfallow, 1½ to 2 bushels to the acre with fertilizer, and 2½ bushels if no fertilizer is used. On stubble not more than 2 bushels to the acre. For barley, on summerfallow, 1 to 1½ bushels to the acre with fertilizer, or 2 to 3 bushels to the acre if no fertilizer is used. On stubble, for barley, not more than 1½ bushels to the acre.

The lower rates, it is recommended, should be used when the moisture supply is low and on light soils; heavier rates when moisture reserves are abundant, or on heavier type soils, or when wireworms are present, or where there is a heavy weed infestation.

Heavier seeding rates of these grains tend somewhat to hasten maturity, particularly when used with commercial fertilizer, and so help the crops to escape the early frosts.

These experiments are another instance of the valuable work being done for farmers by our Dominion Experimental Farms.

Good News for Farmers

FLAX WILL BRING YOU \$5.00 per BUSHEL

The Honorable James C. Cardiner announced March 17th that, effective August 1st, the price for 1947 flax crop will be \$5.00 per bushel, basis No. 1 C.W. Fort William. Flax is now Canada's most profitable crop.

Not only Canada, but the whole world needs edible and commercial fats and oils. The flax you will grow supplies linseed oil for paint, linoleum, printers' ink, rubber, metal castings, shortening, even livestock feed. Plan to grow maximum acreage in flax this year and every year. Special re-cleaned flax seed is now available to help you get started. Write to the Alberta Linseed Oil Company Limited, Medicine Hat, Alberta.

We have Lots of Power BUT...

We need insulators, transformers and wire—lots of them to complete the extensions planned months ago. Our suppliers would like to provide them too, but production simply can't meet the demand.

All three are prime necessities in providing new services. We want those who are waiting for electric service to know that poles are being set, wire strung and transformers installed just as fast as they can be obtained.

Our job is to bring you the advantages of economical and dependable electricity. We are eager to supply it to you and promise that we are doing all in our power to do so with the least possible delay. Your understanding and co-operation will be greatly appreciated.

AVOID FARM ACCIDENTS

Field activities will soon be general on Alberta farms and farmers should be very careful to avoid accidents in handling their machinery.

Just recently a farmer in the St. Paul district was thrown from his tractor when he struck some ruts in the frozen road. One of the

LIVESTOCK ON FARMS

The number of cattle on farms in Canada on December 1, 1946, is estimated at 9,748,000, a decline of 213,000, or slightly over 2 per cent, from the corresponding date of 1946. Reductions occurred in all provinces except Quebec where the number is slightly above that of December, 1945. The greatest decreases are indicated in the Maritime Provinces, Manitoba and Saskatchewan. The number of milk cows on Canadian farms on December 1, 1946, is estimated at 3,959,300, or 53,300 below a year ago. The decline in milk cows is common to all provinces except Quebec.

The number of sheep at December 1, 1946, estimated at 2,166,000, is 11 per cent below a year ago, with the chief declines recorded in the Maritimes and the four Western Provinces.

The number of hogs on farms at December 1, 1946, estimated at 3,972,400, show a slight increase (2 per cent) as compared with 3,853,000 at December 1, 1945.

wheels grazed the side of his head and passed over the side of his body, resulting in multiple injuries to his head and face, two fractured ribs, and a punctured lung.

Do not forget that the tractor is the most deadly implement on the farm. Never take a chance while operating a tractor.

BROTHERS MAKE CURLING STONES FOR WHOLE WORLD IN SCOTLAND

Behind Poosie Nansies Inn, Mauchline, famous hawthorn of Burne Jolly Beggars, lies the only curling stone factory in the world.

Chief foreign customers are Canada, United States, Switzerland and Sweden.

Curling was first played in Scotland, so it is fitting that most of the stones sold to the home market stay in Scotland. The game is still far more popular there than in England.

The granite comes from Ailsa Craig, "Paddy's Milestone" as this island is often called, lies in the Firth of Clyde, 10 miles out from Girvan.

It's a dangerous job quarrying the granite. The men who bore the rock before it is blasted often work suspended down the face of the quarry by ropes.

The factory started about 100 years ago is now owned by the brothers Charles and R.W. Wyllie. Most of the dozen or so workers have been in the factory since they were boys.

First job done with the granite blocks at Mauchline is "matching" as a pair of curling stones must be of the same color and texture.

Rough-hewing comes next. This gives the stone a rough shape, and is one of the most skilled jobs in the factory.

The stone then goes through various processes of boring, turning, grinding, and polishing until it emerges as a highly-polished curling stone.

Most of the processes are done by machinery, much of which was invented and patented by the founders of the firm.

Average weight of a curling stone is 40 lbs. One of the most delicate jobs in its manufacture is the making of the bearing edge on which the stone skims along the ice. This is a small raised rim.

There's a different type of bearing edge for stones used on outdoor and indoor ice. This edge can be sharpened when it becomes worn. There's almost no limit to the life of a curling stone.

Many of the clubs and firms in Canada and the States which order curling stones from Mauchline also order balmoral bonnets and broom for "sweeping them up." So many requests came in that the factory now stocks them.

Average price of a pair of curling stones in Scotland is \$40 plus purchase tax. The factory produces about 2000 pairs of curling stones a year.

After a hard day in a curling stone works the brothers seek relaxation in the same pastime—curling.

FARM LAND VALUES

The average value of occupied farm lands in Canada for 1946 is reported at \$32 per acre. This represents an increase of seven per cent over the average values indicated in 1944 and 1945, and an increase of 25 per cent over the 1935-39 average. The upward trend in farm land values, from pre-war levels states the Dominion Bureau of Statistics, reflects at least in part the relative changes which have occurred in the price levels of farm products and of the things which farmers buy. The Bureau's index of farm prices of agricultural products for 1946 was 45.3 per cent above the 1935-39 level, while for the same year the index prices of commodities and services used by farmers had advanced 45.4 per cent from the 1935-39 base-period level. Increases in farm land values over 1945 levels were reported in all provinces with the exception of Prince Edward Island and New Brunswick where slight decreases occurred.

Those who wait for a better society to produce the better men will never become the better men who can produce a better society.

CHANGES IN QUOTA BASIS

During the 1947-48 crop year wheat marketing quotas will be based on seeded acreage rather than "authorized" acreage. This announcement was made by Hon. J. A. Mackinnon, minister of trade and commerce. The minister said it was not the government policy to limit wheat deliveries and it has been found advisable on the basis of equity, to use the seeded acreage instead of the "authorized" acreage for delivery quota purposes.

"Authorized" acreage came into effect during the early war years and was calculated on the basis of 65% of the acreage actually seeded to wheat in the year 1940.

THE WHEAT SITUATION

Spring is here and there is activity on the farms in Western Canada in preparation for seeding time. Heavy winter snows resulted in flooding conditions in many parts of the prairie provinces. There is ample moisture to get the crop away to a good start. A big wheat crop is badly needed as the world is very short of wheat.

The United States has prospects of a wheat crop approaching 1 1/2 billion bushels. It would be a fine thing if Canada could come through with a 500 million bushel crop. Wheat is going to be a scarce commodity throughout the world for another year.

Last year Europe produced 1,350 million bushels of wheat, which was 320 million bushels below the 1935-39 average. This year prospects are discouraging because of the damage to winter cereals on that continent.

The 1946 world wheat production is estimated by the United States department of agriculture at 5,900 million bushels. This total is 600 million bushels larger than the short 1945 crop, but nearly 100 million bushels below the 1935-39 average.

Exports from North America are running substantially below last year, mainly due to the incapacity of transportation systems to move wheat to seaboard.

The inclusion of a substantial part of eastern Europe in the Russian orbit has upset the traditional flow of food on the continent of Europe. Normally the Danube Basin nations are wheat exporters. Short crops there have failed to supply surpluses, but even if surpluses were created it is questionable whether they would move to western Europe. This leaves the wheat importing nations of western Europe in a position where they must get their needs from overseas.

Asia's wheat crop was very large, especially because of China's reported large outturn of 859 million bushels. Turkey is reported to have produced a record crop in 1946, but Asia's outturn of 332 million bushels was somewhat below average. —Wheat Pool Budget.

"Empties" Still Eluding Capture

Authorities at Deliveries Limited, agents for the Brewing Industry said today that the co-operation or rural residents is essential to the success of their search for E. B. Bottles who escaped from work recently.

The recapture of E. B. Bottles, alias "Empties," is imperative, if the brewing industry is to maintain its normal output.

Anxious to extend their search for "Empties" to every part of Alberta, authorities at Deliveries Limited said anyone apprehending "Empties" can count on the co-operation of freight agents who, upon apprehension of the fugitive, will arrange escort from rural centres. Freight charges will be paid by Deliveries Limited, as be sure to Ship "Freight Collect."

A reward of 20 cents per dozen is offered the person or persons responsible for the capture of Bottles. Rewards will be paid by return mail, as soon as Deliveries Limited take Bottles into custody.

The U.S. Navy Antarctic expedition is experiencing strange phenomena such as a companion in conversation suddenly disappearing although his voice is still heard. He may reappear a few moments later apparently floating in the air. It is believed the phenomena is due to the fact that light is accumulated in the area similar to the manner in which heat is held in a greenhouse and this complete antithesis of darkness causes the illusions.

WESTERDALE NEWS NOTES

Mrs. A. Buckley and Mrs. J. Cowie were hostesses to the final whist party of the season, held at the home of Mr. and Mrs. W. Herbert last Wednesday evening. Six tables were played, top honors going to Mrs. S. Jackson and Mr. J. Cowie. Consolations were won by Mrs. J. Cowie and Mr. S. Jackson. Mrs. T. Peterson visited her husband in Edmonton over the week end.

Mr. and Mrs. W. Herbert and the Ralph Jackson family attended the Montreal Canadian-All Stars hockey game in Calgary Saturday evening.

Mr. and Mrs. W. Herbert were Sunday guests at the home of Mr. and Mrs. H. Jackson. The honored guests were Mr. W. Herbert and Barbara Jackson, who celebrate their birthdays on the same day.

The Westerdale boys held a baseball meeting over the week end and decided to enter the Western League again this year.

FALLEN TIMBER ITEMS

Henry Monecy was a business visitor in Didsbury on Saturday. On his way back he got stuck in a mud hole on the Burma Road and did not get home until Sunday morning. He met Pop McGaffin, who was also stuck in a mud hole, but who managed to get out with the help of George Teynor's jeep.

The Fallen Timber river is running very high.

The Fallen Timber Busy Bees meet at the home of Mrs. Bob Whittle on Wednesday, May 7th. The Roll Call, which is a part of each meeting, is a short biography of some well-known or interesting personality.

Mr. George Byrt hauled some chop for Ben Teynor but couldn't make it because of the condition of the roads.

Friends and relatives gathered at the home of Mr. and Mrs. Bob McGaffin of Didsbury on Sunday, in honor of Mrs. McGaffin's birthday. Among the guests were Mr. and Mrs. C.B. Moore, Four Square Evangelists of Calgary, and Mrs. Norman Kennedy of Calgary. Mrs. Moore held a short service, choruses were sung and thanks returned to the Creator of all good things.

Mrs. Ray Teynor, who has been in the hospital for an appendix operation, is well on her way to recovery.

Mr. and Mrs. Eddie Adams of the Edgewood district west of the Fallen Timber were also guests at the Bob McGaffin home on Monday evening.

The warm weather has dried up the roads so that the lumber trucks are getting into operation again.

Mr. and Mrs. Bill Dick and son Bill were Didsbury visitors on Saturday.

Joe McGaffin has purchased another jeep from Charles Gale of Didsbury, this time a yellow one.

Harvey Burgess of Didsbury has moved his planing mill into the district.

Mrs. Louise Monecy called on the dentist last week.

ZELLA NEWS ITEMS

Last Sunday, April 20, Lila Spooner received a severe bite from a dog and was taken to Didsbury hospital for treatment.

We are sorry to report that Mrs. Ed Craig is also under the weather with a wrist ailment.

Miss Jean Durant was a week end visitor at the home of Mr. and Mrs. Arthur Waldruff.

Word has been received that Mr. and Mrs. Ernest Gourline of Edmonton have purchased a house in that city. It is a large fourteen room house, located near the General hospital and after some renovation will be used as a rooming house.

BURNSIDE NEWS NOTES

Mr. and Mrs. Stanley Coyne (nee Bertie Metz) of Alliance, are visiting relatives in the district. Stanley was called to the bedside of his father, who is quite in town.

There was a free Massey Harris picture show in technicolor last Wednesday night at Sunnyslope and the hall was packed to capacity. Pictures of scenery as far away as Australia were shown.

Mrs. Mardon and Charlie were in Calgary Friday to see C.H. Mardon, who is still in the Belcher hospital. Mr. and Mrs. Harold Davidson and family were Calgary visitors on Friday.

Mrs. M. Sullivan was in Calgary Friday.

Lloyd Anderson came out from Calgary Friday and is helping his brother with seeding operations.

The bridge crew was out last week repairing the bridge east of the Jutland school. This will save a few bumps on our way to town.

The bridge gang, which took the timbers to the Albert Spraggs' bridge last week, has now completed repairs.

Mr. and Mrs. Joe Clarke are home again after spending a couple of weeks in Calgary with their son, Jack and family, and also with the late's sister, Mrs. Mackay of Arrowwood.

Wm. Lyons has sold his farm in the Carstairs district to Gooding Bros. of Carstairs.

A number of farmers in the Burnside district are busy seeding and it won't be long before spring work is generally under way.

Born to Mr. and Mrs. Sandy Brander in the Didsbury hospital on Saturday, April 26, a girl.

Mrs. Brander arrived Monday from White Rock B.C. to take over the household duties for her son, while Mrs. Sandy Brander is in hospital.

NOTES FROM THE EAST

Ladies—The Lone Pine W.I. May meeting will be held at the home of Mrs. Walter McCulloch. Please bring saleable article for auction sale. Roll Call: wear a flower appropriate for Mother's Day—white if mother is dead, red if mother is living.

Mr. and Mrs. B. Shells and Mrs. H. Shells were Calgary visitors for two days this week.

Miss Patsy Coates left Thursday to spend a couple of weeks with Mr. and Mrs. D.L. Forbes of Olds.

An epidemic of stomach 'flu is making the rounds again.

The rural schools are preparing for their regular musical festival to be held early in May at the East Community hall.

Miss Muriel Haynes spent the week end at her home. Muriel has been attending the Three Hills Bible Institute.

And Meet Your Friends

The Anglican service will be held at Rugby on Sunday, May 4th, at 11 a.m.

Mrs. A.D. Schmidt and daughter, Rutlie, spent the week end in Edmonton visiting with Miss Adina Schmidt, R.N.

Adolph Baudistel has moved to a farm 17 miles west of Calgary.

The Didsbury Golf Course was a popular place last Sunday afternoon and many players were out for the first time this season.

BULL QUADRUPLETS

An Ayrshire cow owned by a farmer at Baschus March, Western Australia, reports the Australian News, has given birth to quadruplets—four healthy bull calves, weighing 47lb., 41lb., 39lb., and 35lb.

FAVOURABLE COMMENT

Canadian dressed poultry shipped to the United Kingdom is of a uniformly high standard of quality and pack, according to officials of the British Ministry of Food, who examine the quality of poultry shipments on their arrivals overseas. Recent shipments compare favourably with pre-war shipments and with the best packs from the United States. These officials further stated that these facts speak well for the high standard of packing and grading being undertaken in Canada today.

C.L.B.T.C. No. 135 TO HOLD RE-UNION AT WETASKIWIN

Any serviceman who trained at Wetaskiwin and who would like to attend a re-union there on May 24, please notify V. Harford, Wetaskiwin, not later than May 7, so that arrangements can be completed.
